

IMPORTANT NOTICE TO PATIENTS

Dr. Ashvin Punnyamurthi is Relocating

Dear Patients,

I am pleased to let you know that I will be relocating my practice from Elgin Medical Clinic to Tri-City Family Practice.

Effective Date: September 1, 2026

New Clinic Address:
Tri-City Family Practice
3000 Lougheed Highway
Coquitlam, BC V3B 1C5

I will be arranging the transfer of all patient records. Please do not contact Tri-City Family Practice at this time, as the transition is still being organized.

I will provide another update in the coming weeks with the exact date that patient care will begin at the new clinic.

Thank you for your patience and for allowing me to be part of your healthcare. I am grateful for my time at Elgin Medical Clinic and look forward to continuing to care for you at my new location.

If you have any questions during this transition, please contact me through Elgin Medical Clinic.

Thank you for your continued trust and support.
